

*International Conference on*

# Genomic Medicine

---

*Genomics for Future Medicine and Health*

**February 22-24  
2017  
Baltimore, USA**

## About GeneMed 2017

**GeneMed-2017** conference is making some potential steps in Genomic analysis which is rapidly becoming an important tool in biomedical research for study of future medicine and health. So, focusing on the scope of Genomics Medicine we are organizing this conference to gather top global researchers, leaders and innovators to broadcast new discoveries and cutting edge breakthroughs.

The meeting includes Keynote sessions that feature invited speakers and abstract-selected talks that highlight innovative research across the wide-ranging background of genomics also includes experimental and computational approaches for effectively utilizing the latest DNA sequencing technologies in this three-day event.

We encourage delegates to use this conference as a meeting place to assemble their academic interest-groups for global deliberations.

## About Organizer

**United Scientific Group (USG) is an expert-driven initiative with a vision to:**

- Identify and bridge the gap in knowledge by creating and implementing new scientific and technology specific platforms, forums and products to discuss bottle-neck issues and the recent research advances which need to be addressed and updated.
- Publish and promulgate the innovative/noble research findings with an ethical and stringent review process to make a step-change in the fields of science and technology.
- Partnering with an objective to bridge the gap between business and science for the translation of scientific discoveries and innovative thoughts into implementable solutions and products which benefit humankind.

Led by the editor's association and the advisory board which includes academicians, researchers, and industry leaders, the USG team is committed to work together and create a network which delivers the best scientific solutions and contributes the best services to the scientific community.

## Scientific Sessions

- Genome Technologies
- Next Generation Sequencing
- Precision and Personalized Medicine
- Epigenetics
- Biomarkers
- Bioinformatics
- Diagnostic and Therapeutic issues
- Sequencing technologies and Techniques
- Structural and Functional Genomics
- Molecular Pathology
- Plant Genomics and Microbiome
- Human Genomics
- Genetic Medicine
- Immunogenomics & Cancer Genomics

## Important Dates

- Conference Dates: **February 22-24, 2017**
- Abstract Submission Opens: **March 01, 2016**
- Registration Opens: **March 21, 2016**
- On Spot Registration: **February 22, 2017**

### Early Bird Registration

Before June 22, 2016 avail 50% funding provided by the organizer on your registration fee

Before July 22, 2016 avail 30% funding provided by the organizer on your registration fee

Before August 25, 2016 avail 10% funding provided by the organizer on your registration fee

**No more funds left after August 22, 2016.**

We do not offer student discounts as, rather than offering a limited amount of discount tickets to a few people, we've decided to instead lower the price for this category tickets across the board. We have special discounts on group registration. For discount coupons please contact the conference secretary at **+1-408-426-4832 • Email: [genemed@uniscigroup.org](mailto:genemed@uniscigroup.org)**

## Special Features

- *Panel discussions*
- *Interactive poster session*
- *Cross-disciplines*
- *Collaborations*
- *Mentoring from senior faculty*
- *Networking during customized social hours*

## Registration

*All participants, except non-attending co-authors, must pay the appropriate registration fee.*

<b>Category</b>	<b>Business</b>	<b>Academia</b>	<b>Student</b>
<i>Oral Presentation</i>	\$ 800	\$ 700	\$ 150
<i>Poster Presentation</i>	\$ 700	\$ 600	\$ 150
<i>Delegate</i>	\$ 800	\$ 700	\$ 150
<i>Early Bird</i>	\$ 400	\$ 350	\$ 150

*Your registration includes:*

- *Access to main conference sessions, exhibits, poster sessions and round table discussions*
- *Conference material*
- *Tea / Coffee breaks, lunch during the conference days*

*Support the event and take the advantage of getting connected with your target audience!*

The United Scientific Group (USG) organizes interdisciplinary international conferences to showcase on cutting-edge basic and applied research outcomes within life sciences including medicine and other diverse role of science and technology in society.

**GeneMed-2017** three-day conference will give attendees a chance to interact, learn, and engage with the business leaders and industry's foremost researchers, while tackling the pressing issues that face the new generation. Participants will be top level representatives from sectors like prominent commercial; regulatory; scientific organizations and academic institutes.

USG offers several opportunities for sponsors to demonstrate their support towards science and its people by providing financial contributions to facilitate the presentations of noble research findings, hospitality and other necessary management for the scientific gathering.
